Chapter 3 Your Archetype Profile

INSTRUCTIONS

1. Make sure you have understood the key characteristics of each of the Six Archetypes that have been described in Chapter 2 of the book. Listen again to the audio 'An Introduction to the Archetypes' if you need a reminder. This track comes free in the Introduction Pack when you sign-up at www.teamme.com
2. Taking each character in turn, decide on a number between 0 and 10 that you feel reflects *how much* of each character you think you have in your life and place a mark above the name for each one in the diagram beneath.

There are no 'right' answers; this is simply to reflect how strong each one is in your life.

3. Take a moment to review what you see. What do you notice about the profile you have defined?

To discover your Power Profile online, go to www.teamme.com/app
